## **LAKE COUNTY PURCHASE ORDER TERMS AND CONDITIONS**

1. **ACCEPTANCE OF PURCHASE ORDER.** A Purchase Order is given for immediate acceptance by the Seller. Unless promptly notified to the contrary, the County will assume the Seller accepts the order as written and will make delivery as specified on the document.

2. **ENTIRE AGREEMENT.** All specifications, drawings, and data submitted to the Seller with this order or the solicitation for this order are hereby incorporated herein and made a part hereof. This contract contains the entire agreement of the parties. No change in quantities, prices, specifications, terms or shipping instructions will be allowed except on written authority of the Lake County Purchasing Division. Any additional or different terms and conditions proposed by Seller are objected to and hereby rejected, unless specifically agreed to by the County.

3. **INDEMNIFICATION.** The Seller shall indemnify, keep and save harmless the County, its agents, officials, and employees from and against all injuries, losses, claims, suits, costs and expenses which may accrue against the County as a consequence of granting the Contract.

4. **MODIFICATION.** The County may, by written Order, make changes in the specifications if such changes are within the general scope of the Contract.

If such changes cause an increase or decrease in the Seller's costs or in the time required for performance of the Contract: (a) the seller shall promptly notify the County and assert its claim for adjustment within fifteen (15) calendar days and (b) an equitable adjustment shall be made by the County and the Contract modified accordingly. Nothing in this clause shall excuse the Seller from performing.

5. **DEFAULT.** Time is of the essence of this contract and if delivery of acceptable items or rendering of services is not completed by the time promised, the County reserves the right without liability, in addition to its other rights and remedies, to terminate this contract by notice effective when received by Seller, as to stated items not yet shipped or services not yet rendered, and to purchase substitute items or services elsewhere and charge the Seller with any and all losses incurred.

6. **TRANSPORTATION CHARGES.** Transportation expense for all shipments shall be prepaid to destination. Shipments sent C.O.D. or freight collect without the County's written consent will not be accepted and will, at Seller's risk and expense, be returned to Seller. No charges will be allowed by the County for transportation, packing, cartage or containers unless otherwise authorized in the Purchase Order.

7. **UNAVOIDABLE DELAY.** If the Seller is delayed in the delivery of goods purchased under the Purchase Order by a cause beyond its control, Seller must immediately, upon receiving knowledge of such delay, give written notice to the County and request an extension of time. The County shall examine the request and determine if the Seller is entitled to an extension.

8. **QUANTITY.** Quantities furnished in excess of those specified in the Purchase Order will not be accepted and will be held at Seller's risk and expense.

9. **INSPECTION.** Materials or equipment purchased are subject to inspection and approval at the County's destination. The County reserves the right to reject and refuse acceptance of items which are not in accordance with the instructions, specifications, drawings or data of Seller's warranty (express or implied). Rejected materials or equipment shall be removed by, or at the expense of, the Seller promptly after rejection.

10. **WARRANTY.** The Seller warrants that all goods and services furnished hereunder will conform in all respects to the terms of this order, including any drawings, specifications or standards incorporated herein, and that they will be free from latent and patent defects in materials, workmanship and title, and will be free from such defects in design. In addition, Seller warrants that said goods and services are suitable for, and will perform in accordance with, the purposes for which they are purchased, fabricated, manufactured and designed or for such other purposes as are expressly specified in this order. The County may return any nonconforming or defective items to the Seller or require correction or replacement of the item at the time the defect is discovered, all at the Seller's risk and expense. Acceptance shall not relieve the Seller of its responsibility.

The Purchase Order Number shall appear on all invoices, boxes, packages, shipping documents and correspondence, and the list of contents shall be enclosed in each box or package.

16. **TERMINATION.** Buyer may, at any time, terminate this order in whole or in part by written or electronic notice or verbal notice confirmed in writing. Upon termination for convenience of Buyer, the Buyer will assume responsibility for specific contractual or scheduled financial commitments made prior to notice of termination. Any and all services, property, publications, or materials provided during or resulting from the Contract shall become the property of the Buyer. If however, termination is occasioned by Seller's breach of any condition hereof, including breach of warranty, or by Seller's delay, except due to circumstances beyond the Seller's control and without Seller's fault or negligence, Seller shall not be entitled to any claim or costs or to any profit referred to in said clause, and Buyer shall have against Seller all
